     v.

10   JUDGES OF SUPERIOR COURT
     MONTEREY COUNTY, et al.,

11   Respondents.

14   Petitioner, an inmate at the Monterey County Jail, filed the instant pro se petition for a writ

15   of habeas corpus pursuant to 28 U.S.C. § 2254. The federal petition has a signature date of June

16   24, 2016, and was mailed to the United States District Court for the District of Idaho. The petition

17   later was transferred to the Northern District of California. By order entered November 10, 2016,

18   the Court found petitioner had failed to state cognizable claims for habeas corpus relief, and

19   dismissed the petition with leave to amend. On December 6, 2016, the order was returned to the

20   Court as undeliverable because petitioner was not at the address she had provided.
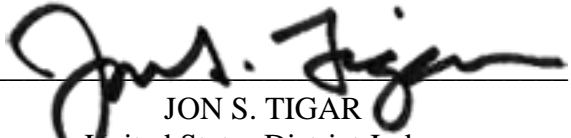

21   Pursuant to Northern District Local Rule 3-11, a party proceeding pro se whose address

22   changes while an action is pending must promptly file a notice of change of address specifying the

23   new address. See L.R. 3-11(a). The Court may, without prejudice, dismiss a complaint when:

24   (1) mail directed to the pro se party by the court has been returned to the court as not deliverable,

25   and (2) the court fails to receive within sixty days of this return a written communication from the

26   pro se party indicating a current address. See L.R. 3-11(b).

27   More than sixty days have passed since the mail directed to petitioner by the Court was

28   returned as undeliverable. The Court has not received a notice from petitioner of a new address.
